

# Glucosamine HCl

## Liquid Formula, For Faster Absorption And Quicker Results.

Bellyrubs Organic® Glucosamine HCl is a supplement in a liquid form and may be absorbed more quickly & efficiently than tablets, offering faster results.

### Amount to Feed:

Dogs & Puppies - For the first 7 days, feed 1/2 ounce per 50 pounds of body weight daily as a loading phase.

Thereafter, feed 1/4 ounce per 50 pounds of body weight daily for maintenance. If supplementation is missed for more than 3 consecutive days, start again with another loading phase.

### Cautions:

For animal use only. Keep out of reach of children. Close container after each use. **TAKE TIME OBSERVE LABEL DIRECTIONS**
